

## NOTICE

All students of **B. Tech 6th semester** are hereby directed to start working on the Seminar Topic approved by their respective guides and begin the preparation of their **Seminar Report** and **Seminar Presentation**.

Students must ensure that they are consistently making progress and are regularly updating their respective guides with their work.

Once the seminar report is reviewed and approved by the guide, students must print the final report in a spiral-bound format and present the topic through a PowerPoint Presentation.

**Note:** Each student must prepare an individual Seminar Report and PowerPoint presentation based on their approved topic.

### Seminar Report Format:

1. Title Page
2. Certificate
3. Acknowledgement
4. Abstract
5. Table of Contents
6. Introduction
7. Literature Review / Background
8. Problem Definition / Objectives
9. Methodology / Proposed Methodology
10. Applications / Future Scope
11. Conclusion
12. References
