No: (Project Batch-2020/ECE/IOT/KU/24)  
Date: 05/06/2024

### NOTICE

It is notified for the information of students of B.Tech 8<sup>th</sup> semester (Batch 2020) that their progress presentation will be held on 26<sup>th</sup> and 27<sup>th</sup> June 2024 according to the schedule given in Annexure I. In this presentation the students are required to present the background study (details of subject matter/various relevant technologies) and related literature survey. The presentation should be strictly prepared according to the following guidelines:

1. Details of all the related subjects of B.Tech should be presented.
2. Details of applicable technologies should be mentioned.
3. A detailed literature survey should be included.
4. The presentation should be prepared in a manner that is clearly visible and comprehensible to the faculty evaluating the same.
5. The students are encouraged to use less text and more graphical/tabular representations to convey the information.
6. All the members of the group should prepare the presentation and anyone can be asked to deliver before the panel.
7. The presentation should be approved by the concerned Co-Supervisor before it is presented. Negligence in reporting to the Co-Supervisor will directly affect the overall internal grade of the project.
8. The students should be prepared for cross questioning from the panel.
9. Any group with an unsatisfactory presentation will have to repeat the same till it is approved by the committee.

Other relevant details for preparation of presentation and evaluation criteria are given in Annexure II.

**ANNEXURE II**

In order to maintain uniformity across the presentations of all the groups, a format has been devised. This should be the only format followed by every group in this presentation.

- SLIDE 1: Title Slide
- SLIDE 2: Contents of the Presentation
- SLIDE 3: General Block Diagram of the project
- SLIDE 4: List of relevant subject matter and technologies to be used in the project
- SLIDE 5-10: Details of the contents of Slide 4
- SLIDE 11 onwards : Literature Review

Following will be the evaluation parameters for the presentation;

- Subject Knowledge
- Relevance of listed subject matter and technologies to the project.
- Quality of Literature Survey
