SEMINAR NOTICE

It is notified for the students of B. Tech 6th Semester, Batch 2022, that in view of the Seminar as a single credit course "An important part of the curriculum and a necessary process for the partial fulfilment of the degree of B.Tech. (ECE) ", that they are required to form Seminar groups that will lead to the project groups in future. For the upcoming Seminar, students are directed to submit the list of group members with designated group leader to the Seminar Incharge latest by 25th March 2025.

Process:

1. The department requires students to first define their Area of Study that they likely want to extend as the Project in next semester.
2. The groups will be allotted a time frame to have brainstorming and discussions with the faculty so as to choose the best areas of research, innovations and development.
3. After the brainstorming, each group will be assigned a Mentor who will guide them at every step of the seminar.
4. The students in the group will choose four different topics from the area defined, or the problem formulated.
5. Each student will be required to submit the seminar report and give at least two presentations in the seminar slots according to the scheme set by the seminar incharge.
6. The students will be evaluated depending on the seminar report, Presentation, and technical know-how of the topic.
