Dated: 21-10-2024

Notice

It is hereby notified for the information of the students of B.Tech 8th semester (Batch 2020) that the major project exam (External) has been scheduled for 24th October, 2024. So, this is a reminder to complete all the pending project work by 22nd October, 2024 so that you are adequately prepared for the final project assessment. The final project report must be submitted by or before 29th October, 2024. However, a draft version of the report containing the design details and other important project related data must be submitted (one copy-spiral bound) on the day of your final presentation.

Guidelines for Project Presentation:

1. Each group will have a maximum of 20 minutes for their presentation, followed by 10 minutes for questions from the evaluation panel.
2. Presentations must strictly adhere to academic standards and must cover the following aspects in addition to other relevant data:
 - Abstract
 - Introduction
 - Technologies used
 - Problem statement
 - Literature Review
 - Proposed Solution
 - Methodology.
 - Design details (Mechanical, electrical, electronic, functional)
 - Findings and Results.
 - Conclusions and future scope.
 - References

Evaluation

The presentations will be evaluated by a panel of examiners based on clarity, research content, presentation skills and response to questions.

Submission of Presentation Slides:

Submit your presentation slides in PPT and PDF format to the B.Tech Project Incharge.

Guidelines for Project Report Submission:

- **Format and Structure:**

The report must be formatted according to the guidelines specified by the institute and the template already shared.
